

We'd like to wish you a bright and uplifting start to spring – whether you're planning a big adventure, a peaceful break, or something in between. Wherever your travels take you, we hope they're filled with fresh air, good company, and plenty of time to unwind.

## Thank You to Our Amazing Customers

Over the past few years, we've had the joy of welcoming riders from all over the world – from Colombia and Australia to New Zealand, the USA and across Europe. We're equally grateful for our local riders and holidaymakers who join us from closer to home. Sharing Anglesey with you has truly been a pleasure.

## Supporting Worthy Causes

Giving back is something we care deeply about. Last year, we were proud to support two fantastic charities:

- A 100-mile sponsored ride around Anglesey in aid of Parkinson's UK Cymru
- A sponsored ride supporting the Motor Neurone Disease Association

We were delighted to provide electric bikes for both events and to play a small part in helping these important causes.

# New Bikes, Better Rides

Our fleet has grown, allowing us to cater for a wider range of abilities and rider needs. The newest bikes bring noticeable upgrades – improved comfort for longer adventures, extended battery life for those who love to roam, and a little extra boost on the hills.

Many of you have told us how much you value that added support, and we've listened, choosing models that make every journey feel smoother and more enjoyable.

## Five-Star Feedback

Online reviews matter, and we're incredibly proud of the kind words shared by our riders. Many describe us as offering friendly service, quality bikes, and a relaxed way to explore the island. One review that really made us smile said:

**“First class from start to finish... helpful, friendly advice, excellent bikes, flexible times and easy payment.” – D.P.**

Thank you to everyone who has taken the time to leave a review – it truly makes a difference.

## Give the Gift of Freedom

Looking for a present that feels a little different this year? Our electric bike hire gift vouchers are a joyful way to treat someone you love. Whether they're craving a scenic coastal ride, a woodland wander, or simply the thrill of trying something new, a voucher lets them choose their own perfect day out.

It's an experience that feels good from the moment they unwrap it – and even better once they're out exploring.

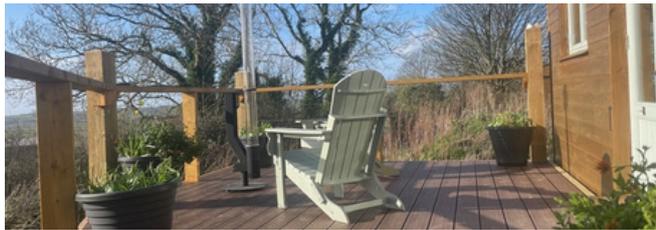

## Anglesey's New Green Route Is Ready to Ride

A beautiful new green corridor now links Malltraeth and Newborough, giving walkers and cyclists a safe, scenic way to explore this stunning corner of Anglesey. It's a great boost for local routes, wildlife, and accessible adventures, with a 1.25km traffic-separated shared-use path running from Pen Cob Car Park to the edge of Newborough.

**Why not make it part of your next Anglesey adventure and experience the route for yourself.**

## Looking For a Peaceful Escape?

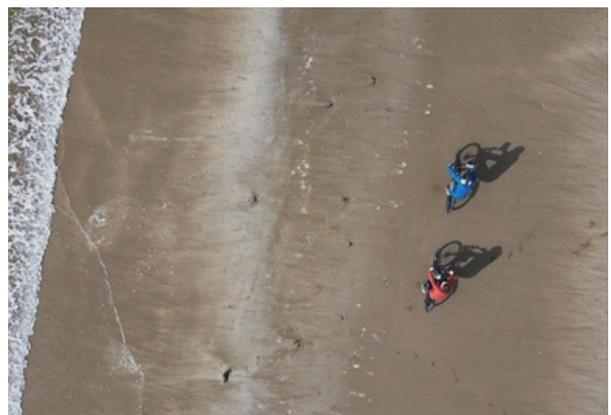

Our lovely upgraded shepherd huts and cosy cabin offer beautiful views and that "back to nature" feeling.

Guests also enjoy reduced electric bike hire, making it easy to explore the beaches, lanes, and landscapes right from your doorstep. A perfect little getaway to slow down and breathe again. Call 07942 266812

## Looking Ahead

We're excited for the year ahead and can't wait to welcome even more riders in 2026. There's something special about seeing new faces discover the joy of exploring on two wheels – and watching familiar ones return for another adventure.

As always, we'll keep doing everything we can to make every ride feel effortless, enjoyable, and memorable. From smooth booking to friendly support and well maintained bikes, our focus remains the same: giving you the best possible experience from the moment you arrive.
